

International Money and Banking: About the Midterm Exam

Karl Whelan

School of Economics, UCD

Spring 2018

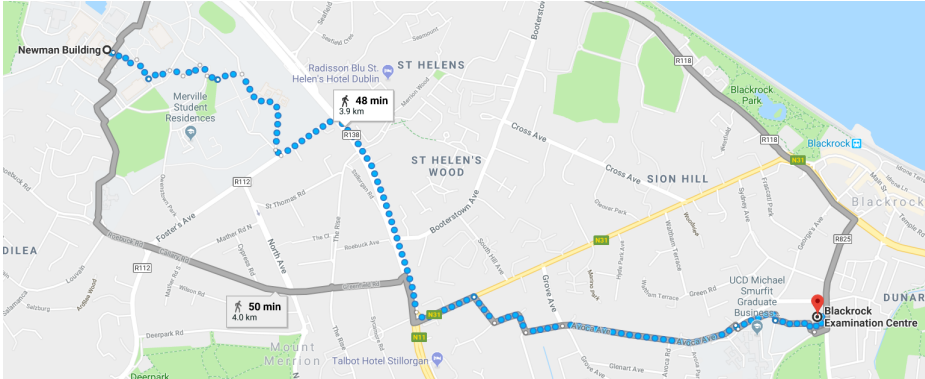

The Midterm Exam

- The midterm exam takes place in the Blackrock Examination Centre on Tuesday March 6 at 7.30PM and lasts for one hour.
- It will count for 30% of your grade. Your final grade will be calculated as a weighted average of the grade point values of the two exams.
- The exam will include material from lectures up to and including Monday March 5
- It is a multiple choice test with 50 questions. It will not have negative marking (i.e. I will not subtract points for getting a question wrong).
- You answer the questions by filling in the box for the right answer, not by placing an X over the answer.
- I consider it fair to use any material discussed in the notes for a question.
- Last year's test is on the website. I will not be circulating answers to these questions. I want people to learn answers by studying the material, not by rote learning. After the test, I will discuss the answers to your test in class.
- Bring your own pencil and your college ID!

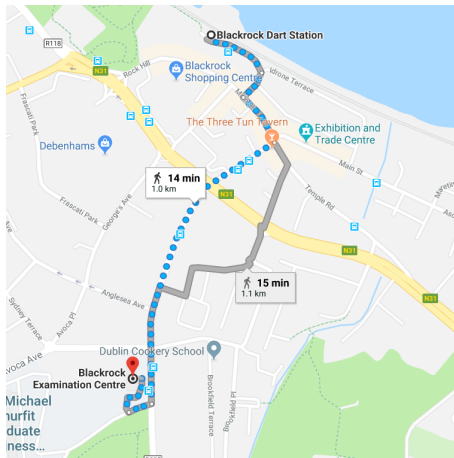

The Exam Location

- The exam centre is located at UCD's Blackrock campus which is home to the Smurfit School of Business.
- The exam centre is right beside the Carysfort Avenue entrance to the campus.
- Getting there from campus: 45 minute walk from campus or the No. 17 bus to Blackrock station (ten minute walk to the exam centre).
- Getting there from city centre: DART to Blackrock station or No. 7 bus to Blackrock station.
- If you have a car, there is parking.
- Note: UCD's Blackrock campus is NOT the same thing as "Blackrock college" which is a school that is over a mile away from the exam centre.
