

Karl Whelan

Curriculum Vitae: October 2016

Email: karl.whelan@ucd.ie

Education

B.A. (Economics and Mathematics) 1991 Trinity College Dublin

Ph.D. (Economics) 1997 Massachusetts Institute of Technology

Positions Held

August 2007 - Present: University College Dublin, Professor of Economics
Head of Department since September 2015

May 2002 - July 2007: Central Bank of Ireland
Held positions as Economist, Senior Economist, and Deputy Head
in the Economic Analysis and Research Department.

Sept 1996 - April 2002: Federal Reserve Board of Governors, Washington DC
As a staff economist in the Division of Research and Statistics,
I worked on a wide range of macroeconomic and financial issues,
regularly participated in briefing Chairman Greenspan and other
Governors, and worked on the FOMC's macroeconomic forecast.

June 1991 - June 1992: Economic and Social Research Institute, Dublin
Worked with Prof. John Bradley on constructing a macroeconomic
model of the Irish economy.

Other Professional Activities

Have supervised five PhD students to completion and currently am supervising four others.

Served as editor of the *Economic and Social Review* from June 2007 to June 2010.

I have appeared four times before Irish parliamentary committees discussing matters relating to banking and fiscal policy.

I have also served as a referee for many leading international journals including *American Economic Review*, *Economic Journal*, *European Economic Review*, *International Journal of Central Banking*, *Journal of Business and Economic Statistics*, *Journal of Money, Credit, and Banking*, *Quarterly Journal of Economics* and *Review of Economics and Statistics*.

I write regularly on economic policy issues on blogs, in newspaper articles, and appear occasionally on Irish TV and radio.
